Part no.: 532 0298 10

For current listing refer to catalogue media

As part of our continuous efforts to improve our products, modifications have been made to the tensioning pulley with part number 532 0298 10.

This Service Information sheet shows the visual features of the previous version (Figure 1) and the new version (Figure 2).

During the transition period, we may have mixed stocks of both types.

Both comply with the technical specifications and can be used without restrictions.

Figure 1: Previous design

Figure 2: New design

Please observe the vehicle manufacturer specifications!
